MULTI-FUNCTION
CABLE KIT****Retractable Charging Adapter:**

Unlike standard cable connector boxes, this product features a retractable charging cable with four adjustable lengths: 9, 20, 30, and 35 inches. It can support dual-side pull, single-side pull, or any directional pull. The cable has a clip to lock the length in place. When finished, simply pull it forward, and it retracts automatically.

60W Fast Charging Cable:

The Type C to Type C fast charging cable offers a charging speed of up to 60W, making it suitable for charging various devices, including mobile phones, tablets, and laptops. The adapter box is designed to work seamlessly with computers, phones, iPads, and other Android and iOS devices.

Compact and Versatile for Most Devices:

This USB adapter storage box is the perfect solution for travel or business trips, containing all the necessary adapters and connectors for most charging needs: one USB C to USB C charging cable, one card removal pin, one Type C to Micro, one C to lightning, and one Type C to USB. Its compact size of 2.76 x 2.76 x 0.86 inches also allows it to double as a phone holder.

Functional and Convenient:

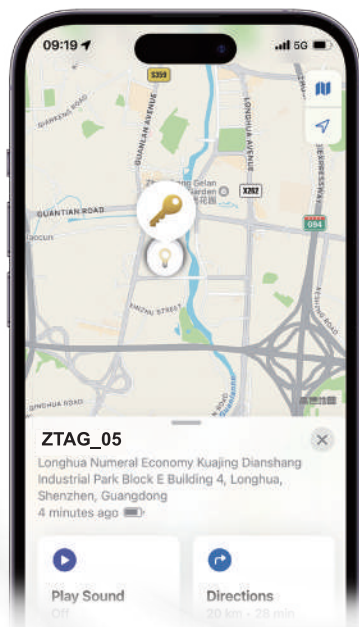

More than just a USB adapter converter for charging your devices, it also supports data transfer at 480Mbps, lets you store your SIM card, remove your phone's SIM card, and serves as a convenient phone holder.
